The race will begin at the front entrance to the park at Wayne Bridge Road.

The distance of the course is 11.8 miles and it is not a closed course race.

This is your traditional Time Trial course with a little twist. We have added an extra couple of miles and one hill to spice up the route and add that extra challenge. The course will still be fast with all turns marked and monitored.

A SAG truck will run the course to assist any team with mechanical troubles.
