Independence Bank Among 13th Annual Best Places to Work in Kentucky

The [Kentucky Chamber of Commerce](#) and the [Kentucky Society for Human Resource Management](#) (KYSHRM) announce the companies that made the **13th Annual Best Places to Work in Kentucky** list, presented by [Kentucky Career Center](#) and the [State Information Data Exchange System \(UI SIDES\)](#). Independence Bank has made the list as a finalist this year in the Medium Companies Category.

Independence Bank will be honored at an awards dinner Wednesday, April 26, 2017, at Heritage Hall in the Lexington Convention Center where final rankings will be announced.

This is the ninth year Independence Bank has been named a finalist in the Best Places to Work in Kentucky program. Winners from across the state have been selected in three categories: small companies of 15-149 employees, medium companies of 150-499 employees and large companies consisting of more than 500 employees (categories based on number of U.S. employees, only Kentucky employees surveyed). The selection process, managed by Best Companies Group, is based on an assessment of the company's employee policies and procedures and the results of an internal employee survey.

Vice President, Human Resource Officer, Tawna Wright said, "We are honored to be included as one of the Best Places to Work in Kentucky again this year. The true privilege is to be recognized because the decision is heavily focused on employee feedback. Through times of continued growth, we strive to stay focused on our commitment to our communities and to our employees. This recognition proves that our Independence Bank family - our employees, value that too."
