Hancock County, famous for its sorghum, long ago acquired the reputation as the Sorghum Capital of the World. The festival promotes and highlights the county's sorghum growers and industry. Come prepared to sample and enjoy a vast array of sorghum delicacies and take some home with you. Demonstrations will be taking place all day along with other vendors. You won't leave hungry! Food booths available ranging from funnel cakes, grilled sandwiches to lemon shakeups! Hitch a ride on one of the wagon's or take a stroll through the farmers market. There will also be a wide variety of other craft demonstrations from broom making to wood carving.

"The Independence Bank Sorghum Festival allows us another opportunity to give back to our community. The Sorghum Festival has been a tradition in Hancock County for many years. This will be our second year as the sole sponsor and we hope to maintain that sponsorship for many years to come. With the continued support of the community this annual event will be successful and only grow bigger and better each year."
